

# New and Improved Loxcreen Corner Pad

*The best value in the industry!*

**Our unique locator tab gives new meaning to sealing out the elements.**

- High performance closed-cell foam
- No air or water infiltration - NO WICKING
- Available in bronze, beige and white
- Packed 2000 pieces per carton
- Freight prepaid on shipments exceeding \$2500  
(May be combined with weatherstrip orders.)
- High performance embossed polyethylene cover designed for durability and long-term performance

## Superior Sealing Technology

Loxcreen's new and improved corner pad is the perfect complement to our 9650 MPC foam weatherstrip. (The only weatherstrip that seals in three places.) Our corner pad features a new high performance cover and a locator tab that aligns pad perfectly for maximum prevention of air and water infiltration.
