

Loxcreen is a vertically integrated manufacturer of aluminum and vinyl extrusions. The Distribution Group

known as Loxcreen Metalsource, with seven strategically located warehouses throughout the U. S., are uniquely positioned to offer JIT service and a wide ranging metals inventory. In addition to custom and stock aluminum and vinyl extrusions, we now offer a complete line of sheet, coil and tread plate. Our ever-expanding inventory allows us to be your one-stop metals supplier.
